ARAB LOVE SLAVE

NEIL RICHARDS

Golden sunlight sifted through the leafy trees, splashing into puddles on the park bench where I sat relaxing. Outside the park, the Paris traffic roared along the busy boulevard. But I tried to ignore it. After all, it was Saturday, and I was determined to spend a leisurely afternoon.

Presently, a dark-haired boy approached the bench where I was sitting. He ambled slowly toward me, his hands jammed in his pockets. His clothing was simple — a gray turtleneck sweater, khaki shorts, and brown sandals. As he drew closer, I realized that he was an Arab youth, probably Algerian.

Stopping tentatively at the end of the bench, he stood and looked at me. His large brown eyes were soft and friendly. He was strikingly handsome, and his flawless olive complexion glowed with well scrubbed brightness. A slight smile flickered across his full lips as he sat down on the opposite end of the bench and stared steadily at me.

No sooner had he sat down than he drew his left leg up, hooked his heel on the edge of the bench, and rested his cheek against his bare knee. All the while, his liquid eyes held my gaze without blinking.

Then, to my great astonishment, he casually reached around his left foot and pulled open the right leg hole of his shorts. He wore no underwear, and from where I was sitting, I had a perfect view of his male parts.

His penis was enormous, certainly one of the biggest I have ever seen. Its fleshy shaft dangled down at least seven inches, ending in a huge, acorn-shaped tip. His scrotum was also very large and loose. It hung far down, and I could see one of his testicles, which was as big as a pigeon's egg. The sight was so tantalizing, that blood immediately rushed into my penis.

Releasing his hand, he allowed the leg hole of his shorts to pull partly closed, but I could still see his fantastically proportioned cock, and his dark, wrinkled scrotum.

His eyes held mine for what seemed a very long time. Finally, he said softly, "J'ai besoin de l'argent, monsieur." ("I need money, sir.")

"How much do you need?" I asked in my best French.

"At least fifty francs," he replied, raising his dark eyebrows. The sum he wanted was equal to ten American dollars.

"And what will I get for fifty francs?" I demanded.

"I will be your love slave," he said simply. "If you wish, I shall stay all night with you."

I frowned in slight disapproval at him. "You are a very handsome and bright-looking boy," I said. "Why are you doing this?"

His eyes grew vague, and he looked slightly resentful. "I need money," he said, shrugging his shoulders. "And you look like a prosperous gentleman."

I glanced down at the gaping leg hole in his shorts. "All right," I agreed. "Let's go to my place."

We took the subway to Alma-Marceau, and walked across the bridge to my apartment on Avenue Bosquet.

"You can call me Robert," I said as I closed and bolted my apartment door.

"My name is Jacques," the boy said, glancing at the gilt Louis Quinze furniture. "You must be very rich, monsieur."

With a shrug of my shoulders, I said, "No, I'm not rich at all."

Turning his brown eyes upon me, he asked, "You are not French, monsieur?"

"No," I replied. "I'm American. In fact, I'm just renting here temporarily while I finish up some business."

"I'm not French either," he remarked. "I'm Algerian."

"Yes, you are an exceptionally handsome Arab boy," I commented. "Won't you please follow me? The bedroom is right this way."

Jacques stood quietly by while I turned down the bedspread. "Perhaps you wish to undress me yourself," he suggested.

"Yes, I would like that very much."

He stood obediently while I pulled his gray turtleneck up and off. Then I unfastened his belt, and as my heart pounded more rapidly, I unbuttoned the waistband of his shorts and drew the zipper down.

The khaki cotton pants dropped to the floor, fully revealing the boy's magnificent physique. His slender build

was muscular and athletic, and his olive skin shone with radiant warmth. His broad shoulders perched precariously above his slim waist and narrow hips. But dominating all else was his enormous prick, which now hung a third of the way down his thigh. "Good God," I exclaimed, "you've got the biggest cock I've ever seen!"

A slight smile crossed his lips. "Many people have said the same thing."

Quickly, I stripped out of my clothes and conducted the youth to the bed. He lay down quietly, while I wheeled a large mirror to the bedside. "You're a beautiful boy, Jacques," I said, stroking his cheek with my open palm.

"Thank you monsieur. You are very kind."

I lay down next to him, and pressed my mouth against his full, pouting lips. He tasted slightly of wine, and his mouth was very soft and moist. My finger tips played idly in his long, dark hair, caressing his scalp. Eagerly, I flicked my tongue between his teeth and was delighted to feel him suck it into his mouth. As we kissed deeply, my penis began to stiffen.

Groping for his enormous prick, I discovered that it was throbbing at full erection. Its huge girth filled my hand with pulsing heat. I cupped his balls and lightly squeezed, but they slipped around inside the pendulous pouch, evading my grasp, teasing my imagination.

Drawing my face away from his, I asked, "Are you my love slave, Jacques?"

"Yes, of course, monsieur."

I squeezed his balls more tightly. "Then I command you to suck my cock," I whispered.

As I lay on my back, he crawled between my knees. Bending forward, he grabbed the base of my prick and took the head of it into his mouth. His soft tongue swirled delicately around the throbbing tip before he engulfed the shaft. I glanced into the mirror beside the bed and got a marvelous profile view. As his mouth rose and fell on my pulsing cock, I imagined that he was indeed my slave and had to do exactly as I commanded. But what thrilled me more than anything was his gorgeous dark hair which mopped up and down against my stomach, sending the most delightful sensations churning through my guts.

Not wishing to shoot my wad too soon, I said, "That's enough. Let me fuck you now."

Strange to say, he made no objection, but merely sat on his heels while I fetched a tube of K-Y jelly from the dresser.

My passions were fully aroused now, and I became quite bold with him. "Stand at the foot of the bed and bend forward from the waist," I directed.

Immediately, he did as I said, placing his hands on top of the mattress. Opening the lubricating gel, I squeezed out a gob and slipped it between his spherical buttocks. To my surprise, his asshole was very lax, and my finger slipped easily inside. Impelled by curiousity, I thrust a second finger inside also, and then a third, and then a fourth. The boy made no objection, so I pushed my fingers slowly into his butt. Then pushing somewhat further, I thrust my thumb inside, and soon my hand was buried up to the knuckles.

"Does that hurt?" I asked.

"Oh no, monsieur," he replied calmly.

By this time, I was beside myself with utter amazement and raging passion. It seemed unbelievable that this young boy could take my fist up his ass, but the proof was right before me. Withdrawing my hand from his butt, I inserted my cock in its place. Easily it sank all the way inside the distensible opening. "Stand up," I urged.

Complying with my wishes, he stood up, my prick lodged fully in his glorious asshole. The mirror beside us gave me a full-length profile view. How beautifully his swarthy olive skin contrasted with my pale white flesh! Reaching in front of him, I grasped his enormous prick in my right hand and started to beat him off. With my left hand, I squeezed and tickled his balls.

The sensation of having my cock up his ass and beating his meat was fantastic. It seemed that his cock was my cock, and my cock was his cock. Somehow, we became fused into the same person.

As his orgasm approached, his scrotum contracted. I could feel that he was getting close to cumming because his huge prick started to twitch, and his asshole throbbed around the base of my cock.

Looking into the mirror, I gazed deeply at the beautiful reflection. Suddenly, all movement ceased, and we hung suspended in timeless space. Jacques' huge cock throbbed lightly in my hand, but the creamy cum did not spurt out.

All at once, a new passion swept over me. Where it came from, or how it entered my mind, I could not tell. But suddenly, I knew that I had to open up my ass to this beautiful boy's prick. "I want you to fuck me!" I exclaimed.

Surprised by my request, the youth remarked over his shoulder, "You are one of the few men to try it." Our eyes met in the looking glass. "You know that I am very big, and that it will hurt you very much?"

"I don't care," I insisted. "I want you to fuck me whether it hurts or not."

Withdrawing my cock from his ass, I dabbed a gob of lubricating gel between my buttocks and knelt on the edge of the bed with my butt thrust far out. "Stick it in," I said. "I want to watch in the mirror."

He stepped behind me and placed the huge acorn-shaped head against my asshole. As he pushed forward, my hole opened partially, but he was much bigger than anything that had ever been up me before. As he pressed harder, he sent fiery pains shooting up my ass so that I almost cried out in agony. But despite everything, I knew that somehow I had to have his gigantic prick inside me. "Shove it in!!" I yelled.

He pushed forward, and it felt as though something broke open, allowing him to gain an entrance. I glanced into the mirror and watched breathlessly as he slowly sank his love tool in to half his length. "Fuck me Jacques! Fuck me!" I cried hysterically.

He pumped his enormous cock in and out, each time thrusting deeper. It felt as he though he was tearing me

thrusting deeper. It felt as though he was tearing me apart inside, but somehow the pain mingled with the pleasure till my mind swam in a semi-conscious delirium. "Fuck me! Fuck me!" I begged.

His huge prick plunged in and out of my ass, faster and faster. I felt his gigantic balls slapping against my own as my brain floated on a flood of ecstasy.

He grabbed my prick and started beating me off. Quickly, my passions welled up to the bursting point. "Ahhhh," he exclaimed, "I'm cumming!" Slamming his cock all the way up my ass, he pounded furiously on my prick. "Ahhhh," he gasped, as his cum spurted into my butt.

Just then, I shot my load in a series of squirts which splashed against my chin. Never has my spunk spurted out with greater force or greater pleasure!

"Ohhhh," the boy groaned, slumping weakly against me. A few moments later, he recovered sufficiently to withdraw his cock from my butt and sink down on his knees.

I was totally unable to move. My tortured bum was all splayed open, and I wondered whether it would ever be the same again.

As I crouched on the edge of the bed, my love slave once more astonished me. Grabbing my hips, he started sucking the dripping love juice from my gaping asshole. His soft tongue darted in and out of my enlarged bottom, caressing and soothing the torn tissues. His warm lips were like a healing balm tenderly administered to my wounded ass.

Slowly, I turned around and slumped on the edge of the bed. He knelt on the floor facing me, and took my hands between his own. "That was fantastic," he said warmly.

"Yes," I gasped," it was the wildest sex I've ever had. In fact, you're such a great love slave that I'm going to give you one hundred francs, instead of fifty."

He clasped my hands more tightly. "Oh, no, no, monsieur," he protested. "I will take nothing from you!"

Much surprised, I exclaimed, "But why not?"

The boy dropped his eyes in embarrassment for a moment, and then lifted them again. "Oh, monsieur," he said weakly, "ever since I was a little boy in Algeria, men have used me for sex. That is why you could put your hand up my ass so easily. But although many men have fucked me, very few of them have allowed me to fuck them — because my cock is so big. Therefore, I asked you for money so that I could pay to fuck a prostitute."

"And you don't want any money?" I asked him.

"Absolutely not," the boy insisted. "You have given me the one thing that I have always wanted — a beautiful man's ass to fuck."

My finger tips stroked his smooth cheek. "Will you stay overnight with me?" I asked softly.

He raised his glistening eyes toward my face. "I will stay with you as long as you wish, Monsieur Robert. Did I not tell you that I would be your love slave?" he asked. "Did I not tell you?"

"Yes, yes," I murmured. "You're the most beautiful love slave in the world, Jacques. Absolutely the most beautiful!" *
